Neighbors Helping Neighbors

Neighbors become more special as the years come and go.

Bless each one with a special gift and let your friendship grow.

For all of us are in God's hands each and everyone.
Support your neighbors as yourself and half the battle's won.

With all the trials in this world and the troubles that exist, be aware God has a plan.
God is always in our midst.

So come on in and browse around.
You're sure to find a friend.
Honor your family, teacher, leader; help your neighbor in the end.

Dear Friends,

Welcome to "*My Shopping List for the Good Neighbor Gift Market.*" This is the 29th year the *First Presbyterian Church of Logan* has sponsored this gift market. Alternative gifts purchased from this catalog empower people to help themselves and others. You can honor your family and friends this holiday season by giving to local charities.

This past year has been a time to reconnect in community with one another. The one constant that we as a people of faith know, is that God is with us and it is our Lord's love that sustains us. We also know that it has always been our call to be a compassionate, forgiving, and loving people. We may do this in part by helping support the services and programs of our local charities and non-profit organizations.
Every effort counts.

You can help by giving thru the Annual Good Neighbor Gift Market catalog and sending your order to the First Presbyterian Church.

Orders accepted thru December 31, 2026.

Thank you for shopping with the Good Neighbor Gift Market. Your support is very much appreciated.

Sincerely,

Good Neighbor Gift Market Committee

Bottoms Up Diaper Bank

Our primary goal is to promote good health and hygiene for children who lack access to essentials like diapers while also helping to alleviate concerns for their families who struggle to afford them.

Unfortunately, in the US, 1 in 2 families struggle to afford clean diapers for their children, and often, children will have to go without.

Established in 2018, Bottoms Up is a non-profit organization dedicated to providing fresh, clean diapers to families in need around Southeast Ohio. The average baby will need at least 6 diapers each day to stay fresh and clean.

Since 2018, Bottoms Up has distributed more than 6 million diapers to more than 80 food pantries and childcare facilities across 28 counties in Ohio.

Moms and babies need your help!

$15 = Will provide diapers for 1 month

$25 = Will provide diapers for 2 months

$50 = Will provide diapers for 4 months

P.S. Make a difference, donate now: https://givebutter.com/RiNPQc

The Bowen House

The Bowen House Cultural Arts and Education Community Center is located at 196 North Market Street in Logan. It is leased from the First Presbyterian Church and serves as an arts and education center to promote art, artisans, music, and community. Our mission is to provide opportunities for diverse cultural enrichment, positive social interaction, historical preservation and aesthetic development and appreciation. As a non-profit organization, The Bowen House functions primarily through memberships and generous community donations of funds and time. The Bowen House continues to create concerts, exhibits, activities and classes that are inviting to the community.

The Bowen House has one manager who coordinates the activities of the organization in cooperation with a dedicated and very appreciated group of volunteers. Our expanded schedule will make 2027 a year that we will seek even more volunteers and community support. The gift market is a wonderful opportunity for the church to celebrate what The Bowen House means to us. It will be an opportunity to renew a membership, offer service as a volunteer, or discuss teaching a class.

To learn more about the life of The Bowen House, visit our website at
www.bowenhouse.org

$10 = To purchase household necessities

$25 = To purchase materials for a workshop or class

$50 = To help sponsor a concerts

Dominican Village Mountain Mission

The Village Mountain Mission Project takes place on the northern coast of the Dominican Republic in the province of Puerto Plata on the north slope of the Cordillera Septentrional Mountain range. The mission was created in 2004 to address the lack of suitable housing in rural communities of the Dominican Republic. The homes are durable, simple homes of a modest size. Crews from numerous states have participated, including churches, high schools, groups of friends, and colleges. Since the mission began, over one-hundred homes have been built.Approximately thirty Hocking County residents of all ages will be traveling to the mission in 2026.

In the past, the mission was primarily self-funded through participants' fees. Due to increasing costs in recent years, the need has arisen to seek donors for operational costs and house sponsorships. Partners volunteer to be part of a crew, make direct donations, and/or conduct fundraisers to benefit the mission. For more information, contact mission director Steve Dietz at director@villagemountainmission.com

$30 to build a window

$50 for nails and screws to put the house together

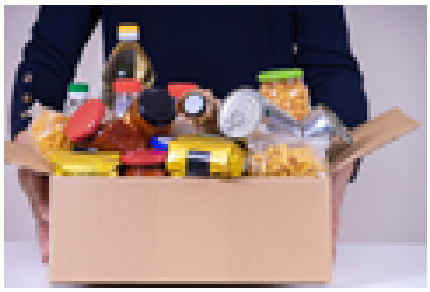

$67 to sponsor a day of the mission.

$75 to transfer a crew to or from the airport

$200 to pour a footer for a house

$500 to put the roof on the house

$750 to be a 2026 sponsor

First Presbyterian Church's Food Pantry

Open the 1st and 3rd Thursdays of each month, from 4:30 to 6:00 p.m.

The Food Pantry at the First Presbyterian Church of Logan was started in 2021 and has been growing ever since. The goal of the food pantry is to help provide food and other essential items, which helps some of our community neighbors through the month. Canned and packaged food products, along with various fresh and frozen items are available. In addition, we provide some cleaning and personal hygiene products, including infant and adult diapers. So far in 2025, on average, we handed out food boxes to 115 households per month.

Thanks to our partnerships, including the SE Ohio Food Bank, Bottoms Up Diaper Bank and 740 Rescue Kitchen, grants and generous donations from our congregation and community, this has allowed us to have the needed food and household products to hand out. The pantry is staffed entirely by our hard-working and supportive volunteers.

$30 = Helps provide food for a family of 3

$50 = Helps provide food for a family of 5

$100 = Helps to purchase fresh produce, dairy, and meat

First Presbyterian Church's

Good Samaritan Program

The First Presbyterian Church (FPC) "Good Sam Program" helps families and households in crisis and partners with other organizations to fill the gaps needed to establish new utilities, prevent costly service interruptions, or secure resources not available from other sources. It is also available to help individuals, including residents at the Hocking Hills Inspire Shelter, needing resources necessary to establish and maintain needed items that supports work and housing start-ups.

The Good Samaritan Program was started by Rev Larry Hoffman in 1998 and supported by funds donated by Lucy Shaw, the Presbyterian Church Congregation, Kroger Rewards, and special donations year round."

$25 = For utility and other housing stability assistance

$75 = For utility and other housing stability assistance

First Presbyterian Church's

WESTMINSTER PRESCHOOL

For over forty years, Westminster Preschool has been the first school experience for many area children. Here, children have time to play, make art and music, and learn from stories. Preschool is the first time that many of our young students experience meeting new people, learn to take turns, and find out how much fun it is to work together to build that wooden block masterpiece. The joy that comes from new friendships and new experiences is evident in the children's lively conversations and smiles! And, a good early childhood education sets the tone for school successes to come.

The Preschool is a mission of First Presbyterian Church, and is licensed by the State of Ohio. Tuition money and the Church's support enable the program to operate, but it is through donations, that the program thrives. Scholarship assistance is available and butterflies emerge from chrysalises during the spring because of donations. Art materials and equipment can be replaced and upgraded with the use of donated funds that you give through this effort.

Thank you for your donations that help Westminster Preschool share the joy of learning with our young students!

$25 for Science Materials

$50 towards Tuition Assistance

Habitat for Humanity of Southeast

Habitat for Humanity of Southeast Ohio seeks to put God's love into action to build strength, stability, and self-reliance through shelter.

We partner with local families, churches, businesses, and individuals.

Please consider helping us achieve our mission by donating, volunteering, and advocating.

Every dollar raised in Hocking County stays in Hocking County!

$25 = Help fund Building Materials (nails, etc.)

$50 = Help fund Finished Materials (windows, etc.)

$100 = Help purchase Appliances

HOCKING HILLS INSPIRE SHELTER

www.hockinghillsinspireshelter.org
841 Old McArthur Rd. Logan, Ohio
43138740-385-5116

Hocking Hills Inspire Shelter is an ever-growing group of volunteers and community members that have recognized the need to provide those experiencing homelessness in Hocking County with an opportunity for a better life. HHIS has been a 501(c)3 since 2012, working diligently to provide residents with food and shelter while they work on obtaining housing and employment.

Many in our community are only one or two unexpected events away from losing stable housing, and HHIS exists to provide necessary help to the people who have found themselves in this situation. Since the opening of our 14-bed shelter in 2018, we have been consistently at or over capacity. By working with partner agencies, providing a mailing address, and providing shelter and vital supplies, HHIS assists residents in getting back on their feet when they need it most. Many of our residents tell us, "I had no hope, but you have given me hope."

$35 = Help care for 1 person in shelter overnight

$75 = Help support a family in shelter overnight

$150 = Help support shelter programs for unsheltered

Welcome to Home Away From Home

Home Away From Home is a community based nonprofit organization dedicated to the recovery of people with mental illness by enhancing personal development and well being, and fostering community involvement. Participants help one another and receive support from staff and volunteers in handling the challenges of everyday living.

We serve a hot lunch every weekday. We are able to provide a space for people to do their laundry as well as bathing facilities. We have a fully stocked pantry and household closet to provide items to those who are in need. There are recreational, social, and vocational opportunities for those who are interested. We teach good physical and mental health habits, daily living skills, and basic life skills. Home Away From Home provides a safe place for people to socialize, all in a home-like atmosphere.

Participants strive to help make life better for each other as well as in the community. Members recently gathered and donated items for the local Humane Society. They gathered items from friends and neighbors and had a yard sale to help with the costs of running the activities of the house. We were able to grow a garden this year and provided much needed vegetables to other members in need. We look forward to welcoming new members to our home.

$20 = Craft Supplies

$40 = Activities and Outings into the Community

$100 = Help Support Lunch Serving up to 20 People

Good Works, Inc. - A Community of HOPE

The vision of Good Works is to create a community of HOPE with and for people who are struggling with poverty and homelessness in rural Appalachia. As a Christian community, we are seeking to grow in our love for God and for our neighbor. We offer contexts through which people in need can experience biblical hospitality, access practical assistance, and share their gifts with others. In doing so, we facilitate ways for people from all walks of life to build relationships of love and service with their neighbors. Along with other initiatives, we operate the Good Works Timothy House, which is currently the only shelter for people without homes in 8 Southeastern Ohio counties. We also serve Hocking County as requested by the Inspire Shelter.

. Our objective is to provide a safe, clean, stable, temporary place, yet homelike place for people to be while the residents work on the issues in their lives which led to the situation of homelessness.

Each resident meets with a Caregiving Team weekly to build a trusting relationship, help them identify their goals, provide

- loving accountability, and connect them with services in the community.
- We have structured the Timothy House so that each resident is encouraged to take responsibility and can maintain personal dignity. For example, residents share responsibility for cleaning the house, fixing meals, and doing laundry.
- In 2024, Good Works completed the building of a new house to assist individuals with a physical disability who are experiencing a housing crisis and cannot use steps. This new initiative is located across the street from the Timothy House.
- The Timothy House is located in Athens within walking distance to stores and potential work sites. The facility currently has 4 bedrooms with 15 beds, a living room, a kitchen, 2 bathrooms, 2 offices, and a large eating/meeting room.

$50 = To help operate the Good Works Timothy House

$100 = To help operate the Good Works Timothy House

Laurelville Community Food Pantry, Inc.

Our Services

Our amazing team of volunteers are committed to helping others. We take our convictions and turn them into action. We give shelf-stable groceries, frozen, and/or fresh produce to residents in need in four townships in Hocking County - Perry Twp., Saltcreek Twp., Laurel Twp., and Benton Twp.

We serve our community every Wednesday morning from 10 am -12 pm at the Administration Building of the Laurelville Elementary School.

Our Goals

We are an all-volunteer non-profit organization. We work hard to ensure that food is always available for those in need.

Our future goal is to raise enough money so we may keep serving those in need regardless of which situation we need to overcome.

Please help us prepare - Donate Now!

$30 = Help feed a family of 3
$50 = Help feed a family of 6
$100 = Building renovations

Meals on Wheels

Food insecurity affects approximately 1 in 6 individuals in Southeast Ohio, including seniors, children, working adults, veterans, and students.

There are many reasons that have contributed to the increased need for emergency food services in our region. Individuals facing food insecurity often have to make difficult choices between food and other basic necessities like utilities, transportation, medicine, housing, and education.

The SE Ohio Foodbank works to end hunger in our region by providing emergency food assistance, resource navigation, and advocacy for policy changes. We also advocate for comprehensive strategies to tackle the root causes of food insecurity, including fair wages, affordable housing, accessible healthcare, and robust social safety nets.

Meals on Wheels

Meals on Wheels routes are covered 3 days a week where drivers deliver wellbalanced meals to home-bound seniors. We view each program participant as a neighbor and friend. The Regional Kitchen carefully coordinates its meal preparation and delivery by taking into account the individual needs of each senior. Through the deliveries, seniors not only receive nutritious meals, but a safety and wellness check as many of our clients live alone and our driver may be the only person they see regularly.

We also offer monthly pet food delivery, thanks to our staff's hard work and dedication, along with the generosity of local donors. This keeps people and pets together, and healthy, by eliminating logistical and financial challenges. Our thanks goes out to Friendly Paws Pet Supplies & Grooming and White's Mill who support this effort.

$15 = Toward seniors' pet food needs

$25 = Toward senior meal deliveries

$50 = Toward senior meal deliveries
